006 Darran Valley Community Council crime update (particularly on-going issues with off-road bikes)

Throughout the month of Gwent Police have been out in the community conducting off-road bike patrols as part of Operation Harley. During the weekends of the 16th and 17th & 23rd & 24th the team conducted joint patrols in an operation with Natural Resource Wales to tackle the issue in hotspot areas. The operation proved positive in establishing a rapport with Natural Resources Wales and allowed for information to be shared regarding hot-spot areas and access points, particularly around the mountain and common, which will prove advantageous for officers in dealing with these issues going forward. Also, by pooling resources across the weekends they were able to work together to deter numerous off-roaders & to educate some riders of the dangers and offences associated with 'off-roading'. Officers will continue to conduct Op Harley patrols within the community throughout the next few months and welcome and new information that may assist in dealing with offenders.

007 To receive Community Council Correspondence

007.01

'Good morning, Amanda,

I am able to deliver the awareness session face to face or via Microsoft Team or Zoom virtual platforms, whichever would suit your council members. The dates and times of the sessions can be tailored to meet your requirements. I can fit in around your scheduled diary of meetings.

The presentation lasts for approximately 30 minutes and then there are opportunities for questions. The session will raise awareness of who unpaid carers are, as many people who have a caring role do not see themselves as carers, are not aware of what support there is locally and therefore do not access any support. By delivering these sessions to community councils and community groups we are aiming to assist such groups to support their communities and have the knowledge and materials to signpost unpaid carers to relevant, local, services.

If you would like to book a session in for the council could you kindly let me know what dates would be preferred and if you would like me to come to a meeting in person or if you would prefer a virtual session.

Best wishes, Lisa'

RESOLVED TO RECOMMEND:

The Clerk will write back and ask them if they would do a recording to add to the website.

'Dear Clerk of the Council,

My name is Emma and I work for a company called Pryor & Rickett Silviculture as part of the team involved in the creation of new woodlands. We have offices across Wales as well as England and Scotland.

We want to know about your ambition for trees in in the community. I want to establish a link within your Community Council regarding woodland creation, my idea is that we would correspond in writing or attend one of your meetings to provide a short presentation on woodlands in Wales. We want to answer your questions about trees and woodland creation in a friendly, open forum.

Do you think this would be feasible and if so, who would we need to contact to enable this to happen?

Please do not hesitate to contact me if you have any further questions.

Kindest regards

'Introducing the Anne Robson Helpline - if you or someone close to you is dying, you can talk to us.

At the Anne Robson Trust we aim to be there to listen to anyone who faces dying or the imminent death of someone they care about. We know that facing the end of life can leave you feeling isolated and alone. Being able to access support is so important. Gaining knowledge of what may happen towards the end of life and being prepared helps both the person dying and their loved ones to feel a sense of control.

Calls are free and confidential. Call us on 0808 801 0688 - we have time to talk Please visit www.annerobsontrust.org.uk/helpline-service to find out more.'

RESOLVED TO RECOMMEND: The Clerk to add to the website.

'Good Afternoon All,

*I have made arrangements with the Monitoring Officer to provide **Code of Conduct Training for Community Councillors at 5.00pm on Thursday 12th May 2022 in the Sirhowy/Ebbw Rooms in the Penallta House Offices, Tredomen Park, Ystrad Mynach CF82 7PG.***

The session will last approximately an hour and will be facilitated by Mr Robert Tranter the Monitoring Officer.

I would be very grateful if you could highlight this session to both your newly elected and returning Community Councillors (please note that County Borough Members who may also be Community Councillors will receive their training the day before and therefore do not need to attend again).

I am hoping to be able to record this training and make the session available to those unable to attend on the day.

Kind regards

Emma
